

PROTEST RALLY

of the high-kill Hamilton Animal Control
between 11:30am—3:30pm

SAT, JULY 30, 2011 at

City Hall, 71 Main St, (off Bay St)

The Issues:

- Approximately 3000 cats and 300 dogs are killed every year at the HAC
- No public adoptions offered
- Inconvenient opening hours for people to reclaim their companion animals
- Only 72 hours hold time before killing
- No feral cat program
- No spay and neuter program
- No education program

The Solutions:

- Open up public adoptions
- Expand network of rescues
- Extend opening hours for working people to reclaim their pets
- Give rescues & individuals more than 72 hours to save lives
- Stop picking up people's pets - respond to complaints only
- Trap, Neuter, Return (TNR) program
- Low cost, high volume spay and neuter clinic or rebate program to use with existing vets
- Public education programs, and more
